PIANOS AND ORGANS.

PIANOS AND ORGANS.

The New Steinway Vertegrand

has revolutionized the entire piano industry. While in form an upright piano, its tone possesses that wonderful, grand-like quality for which all other makers have striven in vain. Its attractive price, of \$500, has not only established comparative piano values of to-day, but has also put it within the reach of everybody, even with moderate means. The thousands that have already been bought since its inception testify to the tremendous popularity of the Vertegrand.

Come and try it and be convinced. Time payments, if desired.
